About Match Architect

Match Engineering Office is a leading architectural and interior design firm. We bring together expertise and creativity to transform architectural dreams into reality. With a diverse team of talented professionals, we offer a comprehensive design solutions that cater to the unique requirements of each project.

Mission

Our mission is to create inspiring environments that fulfill our clients' aspirations and exceed expectations. With meticulous attention to detail, we craft transformative spaces that leave a lasting impact on the built environment.

Vision

At Match Engineering Office, we prioritize details to create inspiring environments that fulfill our clients' aspirations. We advance modern architectural methods as a leading firm in the Kingdom.

Goal

Match Engineering Office delivers innovative design solutions, exceeding client expectations with a focus on quality. We foster lasting partnerships based on trust and excellence, aiming to make a positive impact on the built environment and advance the engineering field.

Match Architect is a leading architectural firm dedicated to transforming spaces into extraordinary experiences. With a strong focus on design excellence, sustainability, and a people-centric approach, we create architectural solutions that inspire, uplift, and leave a lasting impact. Our team of talented architects and designers is committed to pushing the boundaries of innovation, embracing new technologies, and delivering exceptional results. Through collaboration, creativity, and a deep understanding of our clients' needs, we shape the future of architecture, creating spaces that enhance well-being, foster community, and promote human connection. At Match Architect, we are driven by a passion for excellence and a commitment to leaving a positive mark on the built environment.

Abdulelah Alsaab

CEO

Match Team

A group of trusted Saudi engineers with expertise in architectural engineering and interior design. Here to bring your dreams to life. We provide specialized and innovative services to our clients, striving to fulfill their visions and needs through exceptional designs and high quality.

Our Services

Architectural Design

- We undertake architectural design projects, creating innovative and functional structures. Our team combines creativity and technical expertise to deliver designs that harmonize with their surroundings while meeting the unique needs of clients. We strive to create impactful and sustainable architectural solutions.

Interior Design

- Our interior design projects focus on creating captivating and functional spaces. We pay meticulous attention to detail, blending aesthetics and functionality to craft interior designs that reflect clients preferences and enhance their well-being. Our aim is to create inviting and inspiring environments.

Furniture and Finishing

- The Furniture and Finishing department encompasses furnishing projects in real estate development, commercial projects, and private projects. This includes furniture procurement and delivery, quantity surveying, and meticulous supervision of the works.
